

Equipping Faith Leaders to Respond to Mental Health Challenges

The Inaugural American Psychiatric Association (APA) Conference on Mental Health for Faith Leaders

Sponsored by the APA Caucus on Spirituality, Religion and Psychiatry

Locally organized by the Working Group for the Promotion of Mental Health in Faith Communities

This full-day educational conference aims at raising awareness of mental illness among clergy and congregation, addressing the myths about depression and faith, discussing the theological implication of mental illness and providing practical training to faith leaders in starting mental health work in a faith community. The speakers are leading experts on the promotion of mental health in faith communities. The keynote speaker, Craig Rennebohm, DMin from Mental Health Chaplaincy in Seattle, USA, will provide training on starting mental health work. Other invited speakers include Mark Biddle, Dr. Theol. from Baptist Theological Seminary at Richmond in Virginia; Mary Lynn Dell, MD, DMin from Nationwide Children's Medical Center in Ohio; Nancy Kehoe, RSCJ, PhD from Harvard Medical School; John Peteet, MD from Harvard Medical School; Victor Shepherd, ThD from Tyndale Seminary and the University of Toronto.
